

M4 thread on
both ends

Cross-sectional picture M4-cap:

(scale=6:1)

Specification:

Type of Resistor: SSX124
Ohmic-value: acc. to order
Tolerance: acc. to order
M4-caps
Coating: 2x Polymide
Potted in resin
Max. thread depth: 3mm
Resistor is RoHS compliant

Marking on cap:

R-value/tol.
Lot-code LF
